FACULTY:

KATHERINE A. MEESE
 PhD

CEO, HUman Margin Group

With over a decade of experience in healthcare management, leadership, and research, Dr Meese is an award-winning researcher in organizational behavior, well-being, and leadership. Dr Meese has published numerous peer-reviewed journal articles and has served as an evaluator on multi-million-dollar grants. She has co-authored two textbooks on organizational behavior in healthcare used in over 160 schools nationwide, one being The Human Margin: Building the Foundations of Trust with Quint Studer. She is an internationally recognized keynote speaker, delivering over 100 presentations, workshops, and keynotes across the globe. Her passion is to translate data and research into meaningful knowledge to help leaders and organizations support their humans.
