Strategic Interventions for Pressure Injuries: Prioritizing Nutrition During Post-Acute Transitions of Care

OBJECTIVES:

- Explore the revised 2025 scope and standards of practice for registered dietitian nutritionists in post-acute and long-term care (LTC).
- Discuss key considerations for nutrition in pressure injury care.
- Identify nutritional challenges and solutions during transitions of care using a case-study approach.

MEETING INFORMATION:

Date: Tuesday, November 18, 2025

Time: 12:00 PM – 1:00 PM ET

Location: Live Webinar
